## Alissa Palladino

MS, RDN, LD, CPT

Registered Dietitian & Certified Personal Trainer

Alissa is a registered dietitian nutritionist and certified personal trainer based in Atlanta with over eight years of experience. She is passionate about the power of nutrition to optimize health, performance and quality of life.

After graduating from Yale University and working in the education field, Alissa decided to combine her love of teaching and desire to help others with her long-time personal interest in health and wellness by pursuing a career as a dietitian. She earned her Master of Science in Nutrition and Dietetics from New York University and completed her training at Emory Healthcare, where she also worked as a clinical dietitian.

Since 2014, Alissa has worked in a variety of corporate, community, medical and fitness settings with diverse audiences supporting a range of health conditions and goals. As a registered dietitian with Corporate Health Unlimited, she provides one-on-one nutrition counseling and group education both virtually and on-site at CHU managed fitness centers. Her focus areas include sports nutrition, weight management and chronic disease prevention and management.

A veggie lover and avid runner, Alissa is dedicated to helping people work towards their health goals by empowering them with the knowledge, tools and motivation to make positive, sustainable behavior changes. Whether you're seeking to lose weight, improve energy levels, or fuel more optimally for exercise, she is excited to work with you to develop a realistic, individualized action plan.

### Initial Nutrition Consultation **(\$175)**

Individualized one-hour session tailored to your needs and designed to help you reach your goals. Includes a comprehensive nutrition and health assessment, education, meal planning, support and goal setting

## Brent Montean

RD, LDN

Registered Dietitian

Brent Montean is a registered dietitian nutritionist and is dedicated to bringing better nutrition to the Metro Atlanta area. Brent realized early in life that nutrition was not only an interest, but a calling. His passion and education in dietetics has only grown with his eclectic career. Brent is dedicated to helping people find lasting lifestyle changes through diet and exercise.

As an Army Ranger, Brent fought in four combat deployments in Afghanistan fighting the global war on terrorism. The nutritional services he was provided with during his time in the military encouraged him to pursue an education in dietetics. Graduating from Life University, where he received a degree as a Dietician with a Bachelor of Science. After graduating Life University, he then participated in the required internship consisting of 1400 hours of supervised practice, where he was able to explore many categories and directions in the field.

As a registered dietitian with Corporate Health Unlimited, he provides one-on-one nutrition counseling and group education both virtually and on-site at CHU managed fitness centers. Extensive experience with various demographics, medical conditions, education levels, and fitness skills, Brent has the knowledge and confidence to help others achieve their goals.
